

TRIPLE-H-HIRE

Triple H Hire is a locally owned and operated business that has been operating in Traralgon since 2002 servicing tradesmen, handymen and enthusiast groups with quality trailers and equipment.

Our objective at Triple H Hire is to continue to work with these groups creating a customer focus for sourcing the correct equipment required for their work at a reasonable price.

Owning equipment that is used on an occasional basis incurs considerable hidden costs including storage space, security, insurance, maintenance etc, a negative aspect for a small business, however these costs can be offset with Hiring by:

- Reducing overheads on purchases
- Reducing maintenance and upkeep time
- Reducing storage requirements

Hiring equipment also allows for fluctuations in workloads enabling work/project completion with less risk. Knowing where to access quality equipment to suit your needs is our part of the business.

Creating a HUB

Creating a **Triple H Hire HUB** will allow for a central point for alternate work opportunities. Triple H Hire will be a point of contact for **Handyman Services** required throughout the local municipality. This list will become available to trades using Triple H Hire and we look forward to building a solid relationship.

Drop in and discuss your needs.
We will be glad to assist.

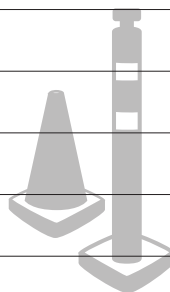

Terry Pearce
Owner / Manager
Triple H Hire

Lifesaving Rules are a simple prompt to identify hazards throughout industry worldwide. Identifying with these rules could **SAVE YOUR LIFE**.

- Look after your mates
- Look up and LIVE
- Know your work, machine and boundaries
